**The English Music Festival** celebrates the music of British composers of all eras, with a strong focus on the Golden Renaissance of English Music: the late-nineteenth to mid-twentieth centuries. We set this in context with early music, folk-music, jazz and informative talks, and have commissioned many works from leading contemporary composers. As well as our May Festival, we hold concerts throughout the year worldwide and have an acclaimed record label, EM Records, and publishing arm, EM Publishing.
